

Bible Sword Drill Helpers

- Types of drills:
 - **Scripture Searching Drill**- a scripture verse is given and contestants must find the exact passage.
 - **Check to make sure student has finger on correct passage.**
 - **Character Drill**- the name of a Bible character is given and contestants must find the name of the person in a Bible verse.
 - **Check to make sure student has finger on a verse containing character's name.**
 - **Book Drill**-a book of the Bible is given and contestants must find the book and be ready to tell which book comes before and which follows it before stepping forward. First place will step to mic to recite book before and after. If incorrect, second place steps to the mic. and so on through the fourth place.
 - **Check to make sure student has their finger on any page in the desired book.**

- To check an answer:
 - Wait until time is called or all contestants step forward. Then walk **in front of the line** of students and check answers.
 - If student has an incorrect verse, ask him/her to step back.
