

## Directions for Preparing for the Bible Sword Drill

Thank you for participating in the Bible Sword Drill. Below are explanations for the study sheet attached.

- Section I—normal looking up a passage
- Section II—study this section.  
The Master Caller will give a quote and you must know where to find it. Memorize the coordinating reference and be ready to find it. You do not need to memorize the verses, just be ready to find them in the Bible.
- Section III—know where to find these characters' names in a Bible verse
- Section IV—find a book in the Bible. Be ready to tell the book before and after that book in the Bible as well.
- Section V—know a verse reference to go with these topics and be ready to turn to it.
- Section VI—study this section. The Master Caller will give one of the statements listed and you must turn to the passage listed. Memorize coordinating reference with the statement. You do not need to memorize the verses, just be ready to find them in the Bible.
