**TO:** Member Schools

**FROM:** SCACS Office

**DATE:** May 27, 2016

**SUBJECT:** AnchorVector ARC

## **AnchorVector ARC (Assessment for Readiness for College)**

Vector ARC has developed a standardized test to replace the SAT and/or ACT. This is an untimed test that is not aligned to Common Core. Because the test is in the beta testing phase, students have the opportunity to take this test free of charge. Any public, private, or homeschooled student who has previously taken the SAT, ACT, or PSAT, or who is scheduled to take the SAT or ACT no later than the June testing, is invited to participate. Siblings who have not already taken one of these tests may also participate as long as one member of the family who is testing has a current SAT, ACT, or PSAT score. The students' previous test scores will need to be provided to the test administrators for the purposes of validating the results of the study. No data will be shared with any third-party databases or federal agencies.

Test date: June 18, 2016, 8:30am – 12:30pm

Place: Grace Pointe Presbyterian Church  
411 Western Lane, Irmo, SC

Register for this free testing opportunity online at: <https://form.jotform.com/61323451905147>

Deadline to register is Monday, June 6, 2016.
